Protect yourself from scams

Coronavirus is creating an environment where financial scams can thrive. Many scams look convincing. Scammers will often ask you to re-invest your money elsewhere or start phishing for your information and try to access your life savings.

We'll never call you and ask you to log into your account, ask for your online password or for details about your plan.

[Get safe online](#)

Welcome

You're only three steps away from getting access to your online account.

You'll need your plan number, which you can find on most letters or statements we've sent you, and access to your email. Registering is quick and easy, we'll only need a few minutes of your time.

Step 1:
Verify plan details

Step 2:
Set login details

Step 3:
Set security details

Your use of Standard Life online servicing is subject to our online [terms and conditions](#). You will be required to accept these terms when you first log into the site and when the terms are updated.

There's a lot to look forward to

Step 1 - Verify plan details
Get safe online

Get started

We need the following details to verify your Standard Life account.
You can find your plan number on most letters we've sent you.

Plan number
What is your plan number?

Date of birth

Email address
We will use this email address to update your customer record.

Please note: You will be asked for your National Insurance number to verify your identity so please have this to hand.

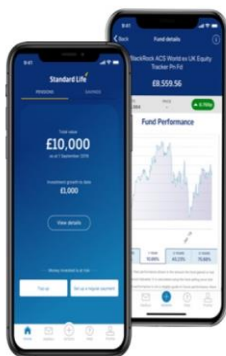

Your Plan number is provided in the literature you received from Standard Life; if you have lost it or need help logging on please contact Standard Life on 0345 271 9501.

Website: <https://www.standardlifepensions.com/howden/home/contact-us>

Once you have registered you can also download the App to your phone.

Access your plans anytime, anywhere

You can review and manage all of your plans on the go with the Standard Life UK app. It's free and works with iOS and Android™ mobile devices.
